By Roger Simmermaker

August 11, 2012

A new and different 'Buy American' book by Roger Simmermaker – the author of three editions of *How Americans Can Buy American* - is near completion and will be available in October or November of this year (just in time to help consumers know which companies to patronize this Christmas!). The new book is titled [\*My Company Tis of Thee: 50 Patriotic American Companies American Consumers Should Know About\*](#) and will be endorsed by former President Bill Clinton, among others.

[\*My Company Tis of Thee: 50 Patriotic American Companies American Consumers Should Know About\*](#) features 50 two-page write-ups about companies many patriotic consumers may not already know about, but certainly should. The American-owned companies were chosen for the book (no foreign-owned companies were considered) because they have demonstrated the desire to swim upstream against the tide of ever-increasing imports among competitors in their industry.

[\*My Company Tis of Thee: 50 Patriotic American Companies American Consumers Should Know About\*](#) also features four American companies most consumers already know about, but ones that consumers should know *more* about. Patriotic consumers can get their copy before it hits the bookstores and is available to the general public by reserving their copy [here](#) for [\\$11.95](#) and get free shipping (pre-pay required). Once your reserve, pre-pay order is received, you're packaging will be prepared so your books can be shipped quickly to you as soon as they are received from the printer ([\*My Company Tis of Thee\*](#) is union-printed and bound in the USA with 100% American paper and materials). You can even order *How Americans Can Buy American* for just \$5.00 more!

So [reserve](#) your personal copy [here](#) now, and consider getting a jump on your Christmas list with [\*My Company Tis of Thee\*](#) as well! [Order today!](#)
