## Hello Brothers and Sisters

It is with great sadness the past couple weeks have brought us unfortunate news of the unexpected passings of some of our members / coworkers / employees.

**Michael Glew** from Sunnyvale Facilities passed (no photo available)

**John Obiols** from Sunnyvale transportation passed away over the fourth of July weekend.

**Damian Lanctot** just this past weekend from the Santa Cruz Facility. On July 23, 2022, our loving friend and coworker was killed in a vehicle accident in the Santa Cruz mountains. This horrible tragedy took place as Damian was coming home from work at Lockheed Santa Cruz Facility on Saturday afternoon. The impact of his sudden and unthinkable loss in our lives is felt deeply by everyone that knew him. Grief counseling has begun at the Santa Cruz Facility. Please reach out if you need it. A family friend has started a Go fund me account for Damian's wife Melissa. If you would like more information, please contact Santa Cruz Base Steward James A. Kalani [james.a.kalani@lmco.com](mailto:james.a.kalani@lmco.com) or Business representative Kevin Lee [klee@iam725.org](mailto:klee@iam725.org)

Kim already sent a card to the Glew family & will be sending out sympathy cards on behalf of Local lodge 2228 and all the members expressing our condolences to the other families.

Remember, These are people we spend hours with day after day at work. People feel loss differently.

If You ever need someone to talk to there are programs within the union that can assist.

Whether it be a loss from a death, or you need help with any personal matters in your life.

Fraternally,

Kevin Lee
