STRIKE SANCTION VOTE RESULTS!

97.4%

YES

We had an outstanding turnout!

The results from the tabulation of the Strike Sanction Vote were announced at the January 11th meeting. The membership overwhelmingly approved **Strike Sanctioning from the IAM & AW Grand Lodge**. This notifies our International Headquarters that in the event of work stoppage, they will need to allocate the funds to pay our strike benefits.

Fraternally,

Your Negotiating Committee.
